Mrs. PATRICIA MARSHALL, Secretary to the Manager, Arlington Tower Associates, The George Washington Building, Suite 1619, 1011 Arlington Boulevard, Arlington, Virginia, advised JAMES MC COND, McCord Associates, Inc., Rockville, Maryland, on June 2, 1972, made arrangements to rent Suite 1617, The George Washington Building, 1011 Arlington Boulevard, Arlington, Virginia, at an annual rental of \$2400. Mr. MC CORD's office manager, WILLIAM MARA, came to the Arlington Tower Associates rental office around June 6, 1972, and permission was graated to let them move in although lease as of that date was not signed. MC COID was not available and SMEA told her he was out of town. SMEA took the lease and returned it around June 9, 1972, and the lease was signed by JAMES W. MC CORD. JR., President, and SARAH RUTH MC CORD.

Hrs. MARSHALL identified NC COPD, who leased the suite, as being identical with JAMES W. NC COPD, JR., whose photograph appears on page 10 of the July 3, 1972, issue of "Time," the weekly newsmagazine, in connection with an article, "The Bugs at the Watergate." She said Mr. NC CORD told her he was reating the suite for the purpose of soliciting business in the area in connection with his security business and principally in regard to use of closed circuit television in the security field.

She said to date a total of \$567 has been paid, \$200 deposit, \$200 for first month's rent, and \$167 toward the July, 1872, rent. Also leased is garage space 1260 and McCord Associates indicated the space would be utilized by a thermal following vehicles: 1866 blue Pontine or 1863 black Pontine, bearing license number 6355 and 6356, state not indicated. She believes the office has a parttime girl employed in addition to Mr. SMEA.

Mrs. MARSHALL said to her knowledge there are no Nationally noted political figures residing or having offices in the Arlington Towers complex.

THO AS C. FASH, Marager, Production and Sales, Mogos, Limited, 5916 Scaleary Rose, Palley's Crossroads, Winginia, telephone 671-1000, who resides 7005 Skibbereen Lane, Springfield, Virginia, telephone 455-2891, alvised her first met Symmet Howard Howard Howard Howard Howard Howard Howard Howard Logos, Limited, to do a special education television film spot in connection with handicapped children using JULIE RISENHOWER for the narration.

HUNT told him the film was being done for the Department of Health, Education and Welfare (NEW), and everything was being arranged through ROBENT R. MULLEN and Company, 1700 Pernsylvania Avenue, N. W., Washington, D. C., and he (HULT) answered to Mr. MULLEN.

Mr. RASH said in connection with the project, he has visited with HUNT or talked to him telephonically on numerous occasions. Some of the visits were at the EXCERT R. MULLIM and Company and some were at the Executive Office Building of the White House.

The visits at the Executive Office Evilding were either in the offices of BING MEATICAN or MARK GOODE and related solely to the television filming of JULIE EISENHOUEN. He said a doctor from Miami, Florida, who headed the clinic for handicagred children also came up to Washington, D. C., in connection with the filming but he could not recall the doctor's name; the doctor was accompanied by his wife.

HUNT told Mr. RASH that he had \$25000 available for the feloviation Film and the bills were to be sent to the ROSEMF R. MULLEN and Company.

RACH recalls on one of his visits with HUNT between April 14-25, 1972, that HUNT told him he was flying to California on business and from California was flying to Miami, Florida, on business; also, since it fell on a weekend, he planned to do some relaxing.

Mr. RASH said the last contact he had with HUNT was in early June, 1972, when HUNT told him the office of Education, HEV, instructed the film spot could not be released since the feeling was that the film would be vulnerable to political attack so close to the Convention/Election Time. Accordingly, RASH submitted an invoice to ROBERT R. MULLEN and Company for around \$9000 in connection with the project.

RASH said his numerous conversations with HUNT left the impression that HUNT is a very dedicated Republican. He stated HUNT said he planned to attend the National Republican Convention in Miomi Beach, Florida. He cited an example that he told HUNT Legos, Limited did a television film on behalf of Senator EDMUND S. MUSKIE and HUNT wanted to see it. However, HUNT did not pursue the matter when told he would not be permitted to see the film.

RASH could not furnish any data on JAMES W. MCCORD, JR., BENNALD DAISHR, EUGENIO MARTINEZ, FRANK STURGID, and VILGIMO COMPALM as noted in the July 3, 1972, issue of "Time." the weekly newspagazine.

The interview on July 10, 1972, at Bailey's Crossroads, Virginia, was for the purpose of Mr. RASH checking his file on instant matter and clarifying the dates.

A review of the personal telephone rotary file of EVERETTE HOWARD HUNT, JR., revealed the name BARBARA CHAD-WICK BROWN, telephone 765-3022.

FEDERAL BUREAU OF INVESTIGATION

MARY DINBURG, 10634 Holman Avenue, was reinterviewed by SA's JOHN M. COMMILL, JR., and RICHARD H. PASHLEY. She indicated she was aware of the official identities of the Agents, and that the interview was concerning the burglary of the National Democratic Headquarters in Washington, D.C., which occurred on June 17, 1972.

She advised that since the last interview, she had recalled that the name used to bill telephone calls between JACKSON and HUNT was Susquehanna Corporation.

On July 6, 1972, she had lunch with ESTHER KERBY, Mr. MCRTON JACKSON's secretary. ESTHER told her that she was having lunch with MARY. ESTHER told her that the name Susquehanna Corporation was set up by Mr. JACKSON, not only for purposes of billing, but also to create the appearance of an attorney-client relationship in all contacts between himself and HUNT, which dealt with that file. This was done by JACKSON as a precaution, as it is done by all attorneys, so that if anyone ever questioned JACKSON about Susquehanna or his dealings with HCWARD HUNT, he could invoke the attorney-client privilege. The relationship between JACKSON and HUNT, in fact, dealt with the re-election of President NIXON. This file name was established sometime during January, 1972.

ESTHER told her that the FBI had attempted to question her regarding HOWARD HUNT, but that she had declined to be interviewed. The FBI had interviewed MORTON JACKSON, and dering this visit to JACKSON's law office, had told her that she would not be interviewed because it was the policy of the FBI not to interview people in the presence of others.

ESTHER said that HOWARD HUNT was in Los Angeles and stayed at JACKSON's home during the time that JACKSON, one of his daughters, his wife NANCY, and her daughter MARIA LOUISA (phonetic), were traveling to San Antonio to the wedding of NANCY's son. This son lives in Los Angeles in his own home and married a girl from San Antonio. The JACKSONs then

traveled from San Antonio to Mexico City. JACKSON returned to Los Angeles from Mexico City after ten days, and his wife and her daughter went on to Acapulco. During the time HUNT was staying at JACKSON's home, ESTHER saw him as much as she could. Some time while HUNT was staying at JACKSON's home, GORDON LIDDY flew to Los Angeles to bring HUNT some money. HUNT had no identification, no money and no credit cards with him. HUNT had left so fast that he had not even had enough time to get very much money together. Whenever it was that LIDDY came to Los Angeles to give HUNT the money, JACKSON was also in town because he called ESTHER at her home to get the telephone number of a former employee at the law office, KARENVILOYD, so that GORDON could go out with her while he was in form. She told JACKSON that she did not have the girl's telephone number at home, so JACKSON had to go to his office to get it. They called KAREN but were unable to contact her. \ On June 30, 1972, KAREN worked one day in ESTMER's place because ESTMER's father had died and she was off work, and JACKSON had just returned from Mexico on June 29, 1972, and needed a secretary. ESTHER advised MARY that HUNT left the JACKSON residence on Thursday, June 29, 1972. ESTHER indicated that she knows where he is at present but would not tell MARY. MARY suspects that he is still in Southern California.

HOWARD HUNT told ESTHER that the FBI was just one step behind him, and he was going to have to leave JACKSON's home because the FBI had talked to some of his friends in Los Angeles.

NANCY JACKSON's son, who lives in Los Angeles, joked with ESTHER about how the FBI was trying to interview her and MORTON JACKSON, and he commented to her how JACKSON had made some telephone calls from his home after closing the door to the room from which he was placing the call, which was unlike him.

ESTHER said that HOWARD NUNT and GORDON-LIDDY often used other names when they traveled and when LIDDY was in Los Angeles during the end of April, 1972, he used another name when he registered at the hotel with HUNT.

B

HUNT told her that he and JACKSON were involved with the Committee to Fe-Elect the President or a group with a name something like that involving the re-election of the President. He told her that President NIXON does not know anything about this. She said that President NIXON is not involved in any way with the burglary, only people of lower standing in the White House. MARY does not know upon what ESTHER based this last statement.

MARY knows that HUNT was receiving medical attention for a stomach ulcer while in Washington, D.C.

ESTHER has explained to her husband, JAMES DICKSON KIRBY that the reason HUNT made a telephone call to her mother's residence was in an effort to locate JACKSON. She told MARY that she had actually furnished this number to MUNT in the event he wanted to contact her there.

ESTHER said that it was unlikely that the FBI would ever connect her with the JACKSON law firm or HOWARD MOWE since she no longer lived in Inglewood, California, and she had changed her name to DENEERG. She cautioned MARY that if she were contacted, she should say that all she knew about the burglary was what she had read in the newspaper. She told MARY that "we," referring to ESTHER and MARY, knew a lot and should be careful because "we" never know what "they," referring to the FBI or the CIA might do.

At approximately 1:00 p.m., MARY DENBURG telephonically contacted the Los Angeles Office of the FBI and spoke with SA JCHN M. O'NEILL, JR.

DENBURG inquired as to whether the FBI affords protection to individuals who make available information concerning matters under investigation.

DENBURG went on to state that because she is cooperating and providing information to the FBI, she is worried that her physical being may be in danger. DENBURG further advised that at the meeting with ESTHER KIRBY, Secretary to MORTON BARPOWS JACKSON on July 6, 1972, KIRBY advised her not to talk with the FBI, and if contacted, not to admit to anything.

KIRBY also stated, according to DENBURG, that "Things can happen to people that talk too much, they can disappear without a trace."

DENBURG was advised to maintain contact with the FBI.

DR. ROBERT A. GOWDY, 3551 Weslin, Sherman Oaks, was interviewed at his clinic, 265 South Harvard, Los Angeles. He was advised of the official identities of SA's JOHN M. O'NEILL, JR., and RICHARD H. PASHLEY, and was advised that he was being interviewed in connection with an investigation into the burglary of the Democratic National Headquarters, Washington, D.C., which took place on June 17, 1972.

He advised that the names EVERETT HOWARD HUNT, EDWARD J. WARREN, EDWARD J. HAMILTON, GEORGE GORDON LIDDY, GORDON LARIMER and GCRDON LEGNARD meant nothing to him. He is a surgeon and does not see patients other than to operate on them. He has had no one by any of these names as patients. He cannot recall having received a telephone call from Washington, D. C., from anyone connected with the Republican Party. The only call he recalls having received during the past six months from anyone connected with the Republican Party was a call from a young female soliciting his subscription to a Republican magazine of some kind./

He is not active in politics nor is his wife. He noted that he and his wife have some friends who used to live in Los Angeles who are politically active but these people live in Youngstown.

He was not called by anyone around the time of the establishment of the blockage of North Viet Nam concerning his attitude toward this action.

He was advised that the telephone call in question was made to his residence on May 8, 1972. He advised that the only day during the week that he is home is on Wednesday, and since May 8, 1972, was a Monday, he knows that he did not receive the call if it was placed during the daytime.

MIRIAM L. MEYERS, 2791 Milison Drive, Beverly Hills, was advised of the official identities of SA's JOHN M. O'NEILL, JR., and RICHARD H. PASHLEY. She was advised that she was being interviewed in connection with an investigation into the burglary of the Democratic National Headquarters, Washington, D.C., which occurred on June 17, 1972.

She advised that she also uses the name Miss MIRIAM NELSON in connection with her occupation as a choreographer. Her husband, JCHN FRED NEYERS, is a motion picture and television producer.

She and her husband were never involved in politics until very recently when they were asked to produce and put on a show in New Hampshire, which was part of the campaign to re-elect the President. Following this show, they were asked to put on the same show in Florida, which they did. During the production of these shows, they had some contact with men involved in the Republican Party. She does not with men involved in the Republican Party. She does not recall ever having met anyone named EVERETT HOWARD HUNT, EDUARD J. MARCIEN, DIMARD J. HAMILTON, GEORGE GORDON TIDDY, JORDON LARLIER or GORDON LEGNARD.

She does not recall having received a telephone call at her home from Washington, D.C., from anyone connected with the Republican Party or any committee for the re-election of President NIXON in May, 1972. She does recall receiving a call around that time from one of the gards who worked in the show as a dancer but she believes this was prior to May, 1972.

She suggested that her husband would probably be able to recall more since he has a better memory for names and dates.

NATANAL OBSERVER

Politics and the FBI Chief

REMEMBER back in May when L. Patrick Gray took over as FBI director and everyone got all happy because Gray opened his door to the press, decided to let women became FBI agents, and said male agents could wear colored shirts and saleburns?

Remember how leading Democratic senators and Presidential contenders refused to utter one word against Gray publicly, even though they all knew what Gray was a committed Nixon loyalist?

Well, the Democrats should have screamed foul—and loud. They may now pay an expensive price for their silence.

Gray's press interviews, colored and streburns, though certainly appreciated, are essentially cosmetics.

The FBI's investigation of the attempt to bug the Democratic National Committee points up the really serious problems presented when the head of the nation's top investigative agency is a political partisan.

Here we have five men caught with a plethora of illegal bugging equipment inside the Democratic Mitional Committee headquarters.

The Republican National Committee and for President Nixon's reflection committee. Another intruder and previously worked on housing

arrangements for the Republican National Convention.

Two address books seized by police from the intruders contained the name of Howard E. Hunt, who had previously been hired as a White House consultant by Presidential aide Charles Colson; Colson is known in Washington as Mr. Nixon's Mr. Fix-It." Hunt and the lawye first retained by the five intruders work in the office of Robert F. Bennett; Bennett was the principal organizer of the fund-raising committee for President Nixon's re-election campaign.

And who is in charge of investing all this? L. Patrick Gray, ardent Nixon supporter. The same L. Patrick Gray who was promoted from relative obscurity up through the ranks of the Justice Department — from assistant Attorney General, to deputy Attorney General, to FBI chief.

And who promoted Gray and was his mentor? Former Attorney General John Mitchell.

And what is John Mitchell doing now? He is in charge of President Nixon's re-election campaign.

Now we hear, from FBI sources, that within days of the bugging incident Gray and Mitchell happened to stay at the same hotel in California. We hear that Gray refused to let his agents seize White House aide Colson's telephone log. We hear that Gray ordered his agents to wrap up the investigation within 48 hours.

All of which smells.

Gray admits he was at the same hotel as Mitchell but says it was a co-incidence and that the two men didn't talk. He denies the other two charges about Colson's telephone records and wrapping up the investigation.

ENCLOSURE

But even if we take Gray at his word—that his first loyalty is to the nonpartisan service of his country—be should not be head of the FBI.

In these difficult times, with the credibility of all our most precious institutions being increasingly doubted, it is a disservice to the nation to appoint as FBI chief a man whose immediate political history makes suspect his judgment on political investigations. It is not fair to the people of the United States, to the FBI, or to Mr. Gray.

For assuming Gray is telling the truth and conducting a thorough investigation, given his political back-gound, nobody will believe him.

-NINA TOTENBERG

ARLEN SPECTER, Philadelphia DA., and RUFUS WILLIAMS, President of Reliable Engineering Associates, chairman and member, respectively, of Philadelphia Committee to Re-elect President NIXCN. Subpoena obtained for bank records of Industrial Valley Bank (IVB), Philadelphia, Pa. Investigation re same negative.

The following investigation was conducted by SA WILLIAM C. FIEIDS, III, at Philadelphia, Pa.: PH 139-115

On July 10, 1972, Mr. HANK BRENNER, Personnel Manager, Nice Ball Bearing Company, Henry and Hunting Park Avenues, Philadelphia, Pa., reviewed his records, but could find no reference to the employment of FRANK A. FICRINI. He suggested contacting BILL GRACE, Personnel Manager of Nice Ball Bearing Company, Kulpsville, Pa.

On July 11, 1972, BILL GRACE, Personnel Manager, Nice Ball Bearing Company, Kulpsville, Pa., could find no record reflecting the employment of FRANK A. FICRINI. He spoke with two people who had worked in the machine shop for Nice Ball Bearing, Philadelphia, Pa., in 1942. FICRINI'S name was completely unfamiliar to them. GRACE noted that during World War II employees arrived and departed every day. Very few records were maintained during this period.

On July 11, 1972, Father PATRICK FLAHERTY and Father HENRY, St. Vincent De Paul's Parish, 109 East Price Street, Philadelphia, Pa., reviewed records for Holy Rosary School, which are being maintained temporarily in St. Vincent's basement. This search produced the following information:

FRANK FICRINI, 510 High Street, Philadelphia, Pa., enrolled at Holy Rosary School in 1933. Shortly thereafter his record reflects he "transferred to Hackensack". His name does not reappear on school records until the 1934-1035 school year. His address is again shown to be 510 high Street, Philadelphia, Pa., but during the year, he moved to 5526 Greeves Court, Philadelphia, Pa. Father FLAHERTY recalled about six families living on Greeves Court. The houses were substandard. Occupants were forced to use "Chic Sales" even through the early 1950's. The houses were originally built for the servants of a man named GREEVES. Father FALHERTY does not recall the name FICRINI at all.

FIORINI, whose date of birth is listed as December 9, 1924, maintained poor to mediocre grades at Holy Rosary from 1934-1938. His "traits" are shown to be average to good.

PH 139-115

A notation appears with FICRINI'S 1937-1938 school records indicating he was admitted to Germantown Dispensary and Hospital on March 25, 1938, with an infected toe nail. The nail had to be removed.

	-	1-	_	//	
Date	<u></u>	Д.	2.	/72	

Mrs. GREEN, Office of the Principal, Germantown High School, perused past records and conveyed the following information:

FRANK A. FIGRINI entered Germantown High School, Philadelphia, Pa., on September 8, 1941. He pursued the Mechanical Construction Curriculum in grade 9-B and was shown off the rolls at the end of the semester. His grades reflect he was an above average student. His Intelligence Quotient (I.Q.) score was 92 on the 1941 Philadelphia Mental Ability Test.

FICRINI transferred to Germantown High School from Roosevelt Junior High School. None of his records are at Roosevelt, they would have all been forwarded to Germantown High School and later removed and destroyed.

FIORINI'S parents are shown to be ANGELO and MARY FIORINI, Norfolk, Va. His guardian is listed as Mrs. CATHERINE PARSON, an aunt, 5623 Heiskell Street, Philadelphia, Pa.

FICRINI'S date of birth is shown as December 9, 1924. He was present at Germantown High School 69 days and absent 24.

PH 139-115

The following investigation was conducted at Philadelphia, Pa., concerning FRANK ANTHONY FICRINI on July 7, 1972, by SA WILLIAM C. FIELDS, III:

Father STEPHEN INDIA, Immaculate Heart Parish, 334 East Haines Street, Philadelphia, Pa., advised that Holy Rosary School once existed on the same site, but ceased all functioning last year. Approximately the same time, Immaculate Conception School burned down and they moved into the then deserted facility once occupied by Holy Rosary.

The name FICRINI is completely unfamiliar to Father INDIA. He suggested that any records of students formerly enrolled in Holy Rosary School may be obtained at the office of Superintendent of Schools, Roman Catholic Diocese of Philadelphia, 222 North 17th Street, Fhiladelphia, Pa.

On July 11, 1972, attempts to locate CATHERINE PARSON, 5623 Heiskell Street, Philadelphia, Pa., met with negative results. No one in the neighborhood could recall PARSON. Review of the Philadelphia Telephone Directory was negative regarding a CATHERINE PARSON.

It was determined that on the indicated date toll calls were made to the number listed below from telephone #202-333-6575, accessible to GEORGE GORDON LIDDY:

Visual inspection of Room 666, Philadelphia City Hall, determined it is the main entrance for the office of Philadelphia District Attorney ARIEN SPECTER. District Attorney SPECTER is the Chairman of the Philadelphia Committee to Re-elect President NIXON. Further inquiry determined phone #686-3964 is specifically assigned to Assistant District Attorney JOHN STEINBERG.

On July 6, 1972, Mr. KEN BATIN, Security Officer, Reliable Engineering Associates, 401 Walnut Street, Philadelphia, Pa., telephone #923-8310, advised that Reliable is a "job-shop", which bids on many Federal Government contracts. The president of the company is RUFUS WILLIAMS, a prominent member of the Philadelphia Committee to Re-elect President NIXON. WILLIAMS was in Washington, D.C., on business for this committee on July 6, 1972.

Cn July 3, 1972, Assistant United States Attorney dICHARD a. GALLI, Eastern District of Pennsylvania, Philadelphia, Pa., prepared a subpoena directed to JAMES E. On July 12, 1972, NATHAN VERBIT, 628 Artwood Drive, Philadelphia, Pa., telephone #428-8250, supplied the following information:

On or about April 13, 1972, he cashed a check at the Industrial Valley Bank (IVB), 136 West Girard Avenue, Philadelphia, Pa. The amount of the check was \$1,350 and the currency received was all in \$50.00 bills, not \$100.00 bills.

Mr. VERBIT advised that approximately two weeks ago, thought to be on June 28, 1972, he cashed another check at IVB for \$1,000 and received all \$100.00 bills. He suggested that the teller he dealt with may have mistaken the two transactions and thought he obtained \$100.00 bills during the first transaction and not the second.

Mr. VERBIT concluded that he still has the \$100.00 bills he obtained two weeks ago.

THOMAS SKINNER, 208 North Stamford Road, was contacted and advised that he is acquainted with an ALFRED C. EALDWIN and met BALDWIN approximately four years ago at a meeting of the Society of Former Special Agents of the Federal Bureau of Investigation (FBI).

SKINNER stated that at the time of this meeting he believes that BALDWIN had recently left the FBI and was believed to be working for Adley Trucking Company as Director of Security. According to SKINNER, BALDWIN was not active in the Society of Former Special Agents of the FBI and SKINNER had no contact with BALDWIN until approximately six or seven months ago when BALDWIN contacted SKINNER telephonically for the purpose of obtaining employment with SKINNER. SKINNER did not hire BALDWIN inasmuch as he had no openings at the present time.

SKINNER advised that he could furnish no further information concerning BALDWIN or BALDWIN's activities and described BALDWIN as an individual who never found himself since he left the FBI.

RICHARD BLACKMAN, Sergeant, Orange Police Department, Orange, Connecticut, was apprised of the identity of SA EMETT J. MICHAELS and the nature of the interview and he furnished the following information:

Sergeant BLACKMAN advised that on January 6, 1968, he was employed as a special guard by the Adley Express Company, BULL HILL LANE, Orange, Connecticut, during the hours of 4:00 pm to12:00 midnight. At this time, Sergeant BLACKMAN advised he was using a 1966 2-door sedan ford, a police vehicle owned by the Town of Orange, as transportation.

At approximately 7:30 pm, while Sergeant BLACKMAN was upstairs in the Manager's Office, he received a telephone call from the dispatcher, Mrs. MARYANN DILLON, who advised him she was instructed by the Security Manager, Mr. ALTHED BALDWIN, to tell Sergeant BLACKMAN that he, Mr. BALDWIN, had entered his car and moved property located in the rear seat of the car to the front seat and dashboard area.

Sergeant BLACEMAN stated be notified Captain BERNARD FOYER of the Orange Police Department about the facts of the case and Captain FOYER immediately came to Adley's Express and it was decided a complaint would be made naming ALFRED BALDWIN on a charge of Tampering with a Motor Vehicle.

Sergeant BLACKMAN further advised maffidavit was sworn out on January 6, 1968, but, he was contacted by State's Attorney, ARAGID MARKER, on January 10, 1968, who requested him to drop charges.

Sergeant BLACKMAN stated he asked BLACKMAN why he had entered his car and BALDWIN advised him he did this to show the guards, that while they were on duty any car in the Adley's Parking lot could be entered.

Sergeant BLACKHAN concluded the interview by stating he felt BALDWIN was a wise-guy who thought he was much better than the average policemen because of his former employment with the FBL.

On June 29, 1972, EDWARD S. GARDINER, 181 Lakeside Drive, Guilford, Connecticut, furnished the following Information to SA ROBERT A. DUFFY:

At the outset of the interview, he stated that he and his wife did not get along with ALFRED BALDWIN because of the difficulty that he had with him as a neighbor about which information is set forth below. He noted that because of these difficulties his opinion of BALDWIN might be somewhat prejudiced.

ALFRED and GEORGIANNA BALDWIN lived next door at 195 Lakeside Drive, Guilford, for approximately two years, leaving that residence about two years ago: At the time they left, AL BALDWIN was supposedly being transferred to the Baltimore, Maryland, and Washington, D. C. area, where he did a great deal of his work. At the time they resided in Guilford, AL BALDWIN was employed by Adley Express in the security field. His work required him to travel approximately one-half of each work week. Mrs. BALDWIN also was doing baby-sitting on a part-time basis for an unknown family in Madison, Connecticut. He recalled that BALDWIN was a former Special Agent in the Federal Bureau of Level Egation.

During the time that BALDWIN resided next door, they had a dispute with BALDWIN over the property line. BALDWIN put a chain link enclosure for two german shepherd dogs that he owned on some of GARDINER's property. This was brought to his attention, but he declined to move the enclosure. As a result, it was necessary for the GARDINERs to have their property surveyed. In addition to the stakes put in by the surveyor, he, GARDINER, placed two stakes near the dog enclosure to show where the actual property line was in relation to the enclosure. Before he had the opportunity to talk to BALDWIN about it, he actually saw BALLWIN move the stakes that he, GARDINER, had placed near the caclosure. BALDWIN subsequently decided moving the stakes.

NH 139-74 RAD/mek 2

In addition the BALDWINs' dogs bit three children in the neighborhood and this created other problems with them. AL BALDWIN was the only one that could control the dogs.

The BALDNINs did not associate with anyone in the neighborhood and he was not acquainted with any of BALDNIN's friends or associates. He has heard that the BALDNINs are presently divorced, but is not aware of any of the circumstances surrounding the divorce.

BALDWIN did have a collection of older guns in his house in which he took pride, but that other than this he knows nothing of any hobbies or interests that BALDWIN had. He spent the majority of his free time working around his house and yard.

He also recalled that he had heard EALDWIN referred to by others, identity not recalled, as a habitual liar and one who claims to have done things that he has not actually done.

Mrs. GARDINER was present during the interview.

Mr. WOOD stated that both he and his wife are very active members of the Republican Party in Fairfield County. He noted that his wife is the director of the local Board of Elections, and is also the secretary of the Executive Committee of the county Republican organization.

He noted that inasmuch as they are both active politically as indicated above, they receive numerous - telephone calls, letters and other communications regarding political matters.

He advised that he was not familiar with the Committee for the Reelection of President Nixon in Washington, D.C., nor was he acquainted, to the best of his knowledge, with any members of this organization. He noted, however, that it is quite possible that either he or his wife may have received some sort of communication from this organization possibly soliciting funds, although he could not say for sure.

MONTGOMERY SHEPARD, St. Joseph, Michigan, and WILLIAM MARIHUGH, Plymouth, Michigan, interviewed and no information of value developed. Investigation to locate ALDEN W. GALLUP, Grosse Pointe Woods, Michigan, and JACK GIBBS, Detroit, Michigan, set forth.

- RUC -

DETAILS:

On July 1, 1972, a check of the Cross Index Records, Petroit Metro Area, revealed telephone number 881-3902 as subscribed by ALDEN N. GALLUP, 1630 Oxford Road, Grosse Pointe Woods, Michigan.

On July 1, 1972, GALLUP's son, ALLEN W., II, advised SA(A) WILLIAM LES BOLTON that his father and mother were on vacation and would arrive at Baca Grande Inn, Post Office Box 126, Crestone, Colorado on Sunday, July 2, 1972, and will be there through July 8, 1972. He advised that his father is a salesman for Hanna Furnace Corporation, a subsidiary of National Steel Corporation, Detroit, Michigan.

1

MONICOMERY-SHEPARD, President, Berrien County Abstract and Title Company, 100 Church Street, Courthouse Samare, St. Joseph, Michigan, furnished the following information:

SHEPARD stated be is the Michigan chairman of the Finance Company to Re-elect the President and is in constant contact with Washington, D. C. officials of the committee ecocerning the upcoming presidential election.

SESPARD stated that G. GORDON LIDDY is Counsel of this cosmittee and furnishes legal assistance to the committee regarding election laws. SHEPARD advised he has had no social contact with LIPDY, having only spoken to him on the telephone.

SIMPARD stated he knows nothing of the breaking and entering of the Democratic National Committee Headquarters in Washington, D. C., on June 17, 1972, other than what he read in the newspapers. SHEPARD advised he has attended three to four meetings of the committee at Washington. D. C. since the attempted breaking and entering and that subject war boyer spoken of. Shapaad advised the committee would have no reason to instigate such an incident as they are very confident that President NIXON will be elected and in view of the fact that they feel the Democratic Party is being torn apart internally regarding the selection of a candidate to oppose NIXON.

STEPARD could act recollect any specific telephone calls on or about June 7, 1972; however, he advised that he could have received a call from LIDDY at that time because there existed a June 10, 1972, deadline for a Report of Receipts of Expenditures for Federal Ro-election Campaign Funds.

SHEPARD could furnish no other information.

Attached sets forth summary of investigation conducted 7/24/72, of burglary of Democratic

Party National Headquarters. DeVan Schumway, Public Relations Officer, Committee to Re-elect the President (CRP), during interview, was asked about press releases made by CRP and his knowledge of investigation. Schumway denied personal knowledge of investigation. When questioned as to press releases made regarding George Gordon Liddy being fired, he related telephone call received from Sandy Smith, Time Magazine, afternoon of 7/21/72, during which call Smith indicated he heard through source that Liddy had been fired. Schumway said he then read short prepared statement. In response to question as to where he obtained information that FBI reported results of Liddy's interview to someone higher in CRP which led to Liddy's dismissal, he stated this was presumption on his part, had nothing to back up statement and admitted it was bad error.

(2) Hugh Walter Sloan, Jr., appeared U. S. District Court with counsel and in interview stated knew nothing of Watergate incident and only dealt money out to Liddy totaling about \$139,000. Detailed interview to take place later in week.

(3) George Gordon Liddy and Alfred Carleton Baldwin, III, expected to testify this week before Federal Grand Jury.

Intensive investigation continuing.

We cannot, nor can Jack Stewart, factually state for whom Hunt's group would be collecting information, what channels would be used to disseminate the information obtained and for what propaganda purposes the information would be used. However, we can assume based on developments in captioned matter that the entire planned operation was to be a clandestine one with the information obtained therefrom of necessity used in a similar manner apparently by certain individuals alleging to be operating on behalf of security for the Republican Party.

We know that in captioned matter Alfred C. Baldwin whose role appears to be somewhat similar to that proposed for wast, maintained a monitoring and lookout station in the Howard Johnson Motel across from the Democratic Party Headquarters in the Watergate. Baldwin prepared daily logs of nonitored telephone conversations from the Democratic Party Meadquarters and turned these logs over to McCord who he knew to be Chief of Security for the Committee to Reelect the President. At other times Baldwin also covered public demonstrations at the request of McCord to insure there was no threat to the Republican Party or the President. Baldwin reported directly to McCord as to his views concerning such demonstrations.

To date we have not been able to determine to whom the Carl was responsible, although we do know that Haut appeared 14 mod 1 3/2 1

7/21/72 GENERAL INVESTIGATIVE DIVISION

Attached summarizes comments of Assistant U. S. Attorneys Earl J. Silbert and Don E. Campbell made during a 7/14/72, conference with the Special Agent in Charge of the Washington Field Office in connection with the FBI investigation of the 6/17/72, Burglary of Democratic National Committee Headquarters. Mr. Silbert, who is primarily in charge of the Federal grand jury action, was highly impressed with the completeness and comprehensiveness of this investigation and is overwhelmed by the volume of reports submitted to him. Silbert is completely satisfied with progress of investigation to which Mr. Campbell agreed.

Silbert remarked that he was becoming exasperated with delaying tactics by Washington Metropolitan Police Department in not providing a report concerning the arrests of the five burglary subjects on morning of 6/17/72.

In an aside, Mr. SILBERT stated that he had made several inquiries of the Metropolitan Police Department in an effort to obtain a report concerning the arrest for burglary of the five subjects in this case on the morning of 6/17/72. He stated that he had not received a report from the Police Department and that he was becoming exasperated over the delaying tactics employed by the Police Department which has cited various excuses, such as participants being on annual or sick leave, and the report had, therefore, not been completely assembled.

The foregoing is being furnished for information purposes.
